**CH Hugedogge Gunilla of Sobriety JW** is 4 years old and can now put the CH in front of her name. She has got 7 RCC's but last weekend she went **BOB** (best of Breed) and got her 3rd. CC. In England it is very difficult to make up a champion because the champions compete for the CC's after they have won the title.

This is really big. It is the first time ever that a mastiff bred in Denmark has been champion in its native country, England. **Big congratulations to the owner, Miss Susan Hill, - thanks for doing such a great job with "Honey".**

Monday [\*\*Donna\*\*](#) and her aunt [\*\*Hugedogge Isn't She Lovely\*\*](#) were the very first two

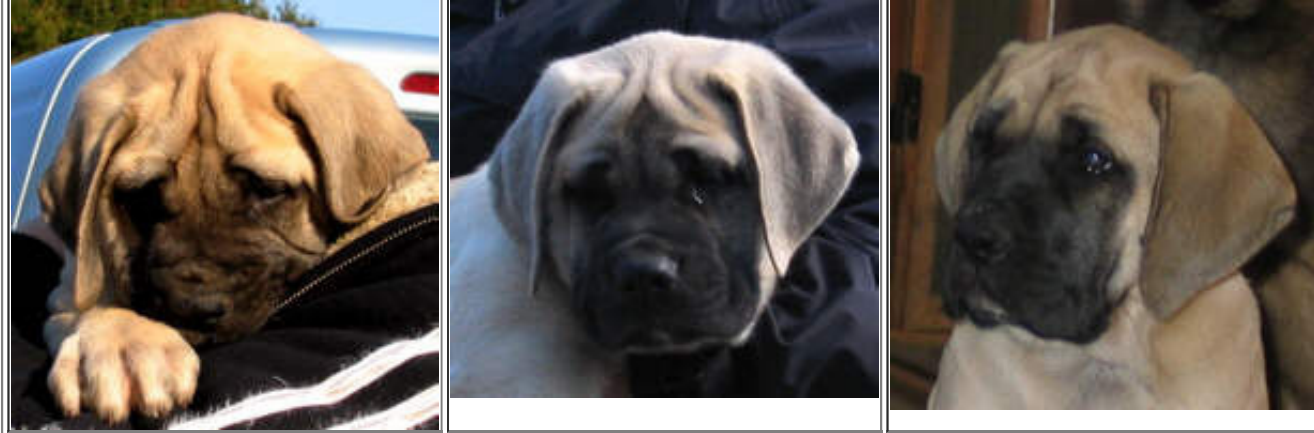

mastiffs in Denmark that made a mental test.

Both did very well. We were told that Donna is a very social dog because when she did not like the situation like when the ghosts approaching, she just walked over to the people watching and sat / layed down on their feet. Then I could stand alone with the ghosts!
