09.12.2009: Trip to Sweden

Yesterday we visited kennel [Komandoran's](#) located north to Stockholm in Sweden, where [Conrad](#) is the proud father of 5 puppies now 7 weeks old. The puppies look gorgeous, very heavyboned. It will be fun to watch them develop.
The owner of [Hugedogg Uranus](#), Helena & Leif picked us up at the airport and drove us to Carina at Komandorans where we spent a lovely day. Thank you so much to all of you.

Above: Carina with a puppy.
Right: Helena exert herself as a Photographer :o)

Since the last update some of our "puppies" has been shown at open shows. At DKK open show in Blåhøj Husedogge Vivienne (Freja) went best mastiff baby (out of 2) and Husedogge No Quitter (Heico) won the champion class and went on to BOG4 - champions. BOB was a daughter out of Uffe, Farm of Snoring Dog Yhala. In Norway Husedogge Vilma was at her first puppyshow and went best puppy and BOG4. Big congratulations to all of you - some pictures up at [Family photos](#).

24.11.2009:

Sunday [Anton](#) was shown at a small local DKK show. We did not get any pictures but today it stopped raining a couple of hours and we got some new pictures - here he is :o) Best of bred and 4th winner in the group. [Anton](#) also has got his own site.

**Anton BOB
and BOG4**

09.11.2009: DKK international double show in Herning.

Sunday [Uffe](#) went **BOB, CACIB and Danish Winner 2009**. Big congratulations to Johanna, co-

In the group he did not place but he was running round the ring with almost flying movements. A very

owner and housemate to Uffe.

special feeling to show this wonderful dog.

The bitch has been in season the lastest weeks and [Jackson](#) was tired and thin after mating [Clara](#). After the show we went back home and did another mating. Show and mating is not a good combination. We are very pleased that [Jackson](#) got **excellent and placed 3rd. best male** in spite of his condition. [Donna](#) was shown on Sunday. She **won the champion class and went 2.nd best bitch, R.CACIB**. The judge asked if she was the mother of the young one (Junior) - and yes she is.

Junior (Hugedogge Sir Conrad-Jr - [Conrad](#) x [Donna](#)) was shown both days. He is 16 month and saturday he got **excellent1, CAC, R.CACIB, 2nd. best male.**

On sunday he got **excellent, CAC and 3rd. best male.**

The picture left is from the WDS show in October.
Thank you to Rosie Pettersson, Sweden for the picture.

We only managed to take a few

Big congratulations to the owner, Mona.

01.11.2009:

One more of [Marly](#)'s offspring is now a champion.

Big Swede Alwilda ([Marly](#) x **Hugedogge Keep In Mind**) lives in Sweden and is now Swedish Champion.

Big congratulations to her owner and breeder, Annica & Ola, [kennel Big Swede](#)

In October we celebrated [Saco](#)'s 8 years birthday - she is now a veteran as well as her father [Conrad](#). We are so happy to have longevity in the lines at it is something we try to achieve in our breeding.

Last week we had to let [Bibi](#) go. She was 10 years and 7 month old and has had a long, good life and a lovely autum with lot of sunshine. At the picture - from left - [Conrad](#) 9 years and 7 month, [Bibi](#) and behind **Junior** are enjoying the sun. [Bibi](#) was a big personality and we miss her so much. She will stay in our hearts and we will always be thankfull for the many years she lived with us. Rest in peace.

23.10.2009: Puppies at Kennel Komandoran´s in Sweden

[Conrad](#) is the proud father of puppies in Sweden at kennel [Komandoran´s](#). The mother of the puppies is Komandorans Samba De Sausalito "Thea", a [Marly](#) daughter. Conrad can still do natural matings - well done for a 9½ year old boy.

Thea has 5 beautiful puppies, 3 boys and 2 girls. She was pregnant with 9 puppies but unfortunately the last 4 was stillborn. Thea is a good and caring mother for her babies. Congratulations to the breeder, Carina Grandin.

12.10.2009: Junior is "World Junior Winner 2009"

Junior (15 month-[Conrad](#)x[Donna](#)) has been at The World Dog Show in Bratislava, Slovenia.

77 mastiff entered, 11 in junior class male and 10 in junior class bitch.

Junior went **Best Junior and World Junior Winner.**

Judge: Jørgen Hindse, DK.

It was nice to see mastiff friends from France, England, Germany, Italy and to get the opportunity to see many nice mastiffs from The Eastern Europe countries.

Thank you to Uta Naumann for the picture, left.

Junior and I left Thursday afternoon to go the 1200 km by bus. A special showbus with 16 other exhibitors and their dogs, which were toy breeds. Junior was the only big dog at the bus and the only one that did not spent the time in a crate. He learned very easy to stay at his blanket and enjoyed the trip. I am sure I have to watch out when he sees a bus now - he wants to go inside.

Monday at noon we were back home again after about 17 hours on the road.

I want to say a special thank to all the helpfull people that made our days. Thank you to Karen Nielsen that arranged the bus and to all of you for a pleasant trip. A special thank to The Danish Kennel Club that looked after my bag while I was showing. Thank you!

[Mikkeline](#) has gone to "The Rainbow Bridge".
We miss her so much and will keep her in our hearts forever.

We will remember her as the
always happy and playfull mastiff
she was. Even in her great age
she went on being playfull and
acted like a much younger dog.
Mikkeline has had a good, long
mastiff life. The only times she
needed to see the vet. was for
her vaccinations. Giving birth was
in Mikkelines opinion not a matter
for the vet. Mikkeline had the
situation totally under control!
While she enjoyed the last sunny
days her youngest puppies went 4
years old. She will live on in them
and her grandpuppies.

Mikkeline, we miss you so much
but are gratefull for the more
than 9 years we were allowed to
live with you.
